GREETER

■ **Beverlee Sandy** really had to work at it today, with a packed house of over 60 attendees on hand to meet and hear Congressman **Jared Huffman**. Our favorite dog trainer also went big with seven Thoughts for the Day, what she called *Dog Lessons for People*:

- **Play and Run Daily.**
- **Be Loyal and Quick to Forgive.**
- **Always Drink Plenty of Water.**
- **Enjoy the Simple Pleasure of a Walk.**
- **Keep Digging Until You Find What You Want.**
- **Follow Your Instincts.**
- **Love Unconditionally.**

Beverlee's dogs know what life's all about!

VISITORS

■ There were so many that we lost count, and this reporter is certain that he missed getting all the names. But, we should acknowledge the attendance of visiting Rotarian **Gary Ferber**, Rotary Club of Sausalito, the Mayor of Mill Valley, **Stephanie Moulton-Peters**, and the two young ladies from Tam High who

are our newest *Chuck Waldron Scholarship* winners—**Leilani Harris** and **Ayannah (Yana) Green**. Leilani and Yana (see photo on page 4) were introduced to the club by Past President **Jane Hall**. Leilani will be attending University of Nevada - Reno while Yana is headed to Howard University in Washington, D.C. We'll be hearing more about both of them as they continue their studies, since our support continues from year to year.

ANNOUNCEMENTS

■ **President Bob** reported that **Roberta Keller** has just undergone surgery, and that she may need some assistance from club members as she recuperates. Bob suggested we give her a call to say hello and see if we can be of any help. Get well soon, Roberta!

■ **President Bob** Announced that a new event has been added to the schedule—the club is invited

That's **Anthony** with his wife **Lorabel** and **Aiden** (6) and **Avery** (4). Looks like they know how to have fun!

GOOD TIMES, ETC.

PROGRAM

■ Congressman **Jared Huffman** came to Mill Valley Rotary today accompanied by his field representative **Amy Schroeder**, from San Rafael, bringing both “good news” and “bad news.”

Before getting into his talk, he congratulated Rotary for the work it does in the community

DON AND RICHARD FLY DEAF CAMPER TO SANTA ROSA HOME

✧ Don Herzog's latest Angel Flight occurred Sunday when he and fellow Mill Valley Rotarian Richard Rider ferried Lincoln J. home to Santa Rosa from his camp for deaf kids near Yosemite. Other than encountering dense smoke (see right), the flight—from Gness Field to Castle Air Force Base and then north to Santa Rosa and back to Gness—went smoothly, reports Don. He also noted that Angel Flight volunteers delivered about 60 campers and their luggage home to their families last Sunday in addition to their usual flying sick patients to and from hospitals throughout the state of California.

and in the world. He noted that his father was a Rotarian and that he also spent some time as a member. The Congressman had just returned from the wildfires up in Mendocino-Lake counties, which he categorized as a “terrible experience—one from which we will be recovering for a long time.”

He commended the club for being fire-wise by scheduling to hear Mill Valley Fire Chief **Tom Welch** at the end of the month. (See Page 5).

Congressman Huffman discussed a wide range of subjects ranging from the need to create more diversity in our forests to the importance of rebuilding the country’s aging infrastructure.

His talk was followed by a lively question and answer session by club members and guests that marked the finish of another outstanding Rotary Club of Mill Valley luncheon program. Good show, Program Committee!
